Sri A. G. RAMACHANDRA RAO (Minister for Law and Education).—I must first express my deep regret that I had to leave the House when the report of the Committee for Educational Reforms was taken up. There was a call from the Legislative Council and and I thought I would be able to return shortly, but I could not do so owing to some very urgent work. I assure the House that I did not know that such a long time would be taken and I would not be able to return soon. I am sorry for that.

Mr. SPEAKER.—It was explained by the Chief Minister.

Sri A. G. RAMACHANDRA RAO.—Next, Hon'ble Member Sri M. V. Rama Rao made a trenchant attack on two points in the course of his speech on House Rent Control (Amendment) Bill. He said that a question had been tabled and no answer was given. I may submit the answer was sent to the Legislature Office in March and I learn from the office that it will be printed in the course of the proceedings and it will be laid on the table. I see that there is delay but that was unavoidable, but still the answer was sent three months back.

Another point was that an appeal had been filed to which no attention had been given regarding the vacation of a house. I learn from the Deputy Commissioner of Tumkur and also from the party who had been allowed to occupy the house, that the house was vacated so far back as November 1952 and that it is in owner's possession, and, regarding the appeal, perhaps, owing to the fact that the house had come to the owner's possession, it was never placed before me. I have asked for the explanation of the concerned officers as to why it was not brought to my notice till day before yesterday. I hope this explanation will satisfy the Hon'ble Member.

Pending Answers to Questions.

Sri J. MOHAMED IMAM (Jagalur).—I want to make a submission about questions and answers. You remember 50 questions were left over on the last occasion.

Mr. SPEAKER.—You can take another opportunity to explain it.

Sri J. MOHAMED IMAM.—We thought preference would be given in answering those questions. I think the Government do not seem to answer the questions. Perhaps some of those questions are inconvenient questions.

Sri A. G. RAMACHANDRA RAO.—Not inconvenient. They are being answered.

Mr. SPEAKER.—I find that questions which were sent before 19th February, 1953 have been answered. You please see Parts 1, 2 and 3.

Sri J. MOHAMED IMAM.—But in Parts 4 and 5 we do not find.

Mr. SPEAKER.—They are doing it.

Sri J. MOHAMED IMAM.—Otherwise they will lapse.

Sri H. SIDDAVEERAPPA.—We have given top priority and attention to your inconvenient questions.

Sri J. MOHAMED IMAM.—I have not got answers for my questions till now.
